

OUR ORTHO TEAM

**We have recruited a TEAM
of expert specialists to care for
ALL of your orthopedic needs.**

Total Joints • Hands • Upper Extremities • Knees • Sports Medicine

Southeastern Orthopedics in Lumberton offers a team of highly-skilled orthopedic surgeons, Drs. Eric Breitbart, David Dalsimer, Riyaz Jinnah and Michael Maggitti who specialize in sports medicine, hands and upper extremities, knee resurfacing and total joints as well as mid-level providers, Physician Assistants Rachel Chapman and Matt Davis, and Nurse Practitioner Jamie Young. Southeastern Orthopedics is conveniently located just off of Interstate 95 on Dawn Drive in Lumberton with surgical procedures performed at Southeastern Regional Medical Center and The Surgery Center at Southeastern Heath Park, also in Lumberton, for patients from southeastern North Carolina and northeastern South Carolina. We offer appointments one day each week in satellite locations in Pembroke and Gray's Creek. Visit seorthopedics.org to learn more.
